Open up our Eyes (Klepper)

Open up our eyes, teach us how to live
Fill our hearts with joy and all the love You have to give
Gather us in peace
As You lead us to Your Name
And we will know that You are One.

Psalms 13

(1) For the leader. A psalm of David. (2) How long, O Eternal One; will You ignore me forever? How long will You hide Your face from me? (3) How long will I have cares on my mind, grief in my heart all day? How long will my enemy have the upper hand? (4) Look at me, answer me, O Eternal One, my God! Restore the luster to my eyes, lest I sleep the sleep of death; (5) lest my enemy say, "I have overcome him," my foes exult when I totter. (6) But I trust in Your faithfulness, my heart will exult in Your deliverance. I will sing to the Eternal, for God has been good to me.

A Prayer for Medical Scientists

God of wisdom,
Bless medical scientists and researchers around the world
With insight and skill, dedication and fortitude,
As they combat coronavirus,
So that their work yields knowledge and understanding,
Speedily finding a vaccine, treatments and deterrents to its spread.
Source of life,

Grant public health and government officials
 The strength to act swiftly and decisively,
 With compassion and understanding,
 In service to humankind,
 Fighting this outbreak
 And the other diseases that still plague the planet,
 Diseases threatening the lives of our brothers and sisters,
 Nations and communities,
 Young and old.
 Rock of Ages,
 Bring an end to disease and suffering,
 So that all may know
 Your compassion and Your grace.
 בָּרוּךְ אַתָּה יי, רוֹפֵא כָּל בָּשָׂר, וּמַפְלִיא לַעֲשׂוֹת

May the One who blessed our ancestors
 Bless all those who put themselves at risk to care for the sick
 Physicians and nurses and orderlies
 Technicians and home health aides
 EMTs and pharmacists
 (And bless especially _____)
 Who navigate the unfolding dangers of the world each day,
 To tend to those they have sworn to help.
 Bless them in their coming home and bless them in their going out.
 Ease their fear. Sustain them.
 Source of all breath, healer of all beings,
 Protect them and restore their hope.
 Strengthen them, that they may bring strength;
 Keep them in health, that they may bring healing.
 Help them know again a time when they can breathe without fear.
 Bless the sacred work of their hands.
 May this plague pass from among us, speedily and in our days.
